## Homes Tour & Crafts Exhibit

*The Award Winning  
Waterford Fair  
Returns!*

**155 artisans**, many of national recognition, will demonstrate techniques of traditional craftsmanship.

**Federal brick houses**, spacious Victorian homes, simple Quaker buildings and small log structures—gardens, barns, Civil War and Quaker cemeteries, an old mill and a one-room schoolhouse are open during the Fair.

Three floors of juried handcrafts for sale in a **restored brick mill**. Vintage barns transformed into galleries for paintings, sketches, photographs and dried flowers. The Country Store offers baked goods, handblown glassware, the Waterford tote bags and more.

A **Revolutionary War militia** camps in Waterford. Fife and drum corps march through the narrow streets. **Civil War soldiers** reenact a past battle. And there will be **music everywhere**—string bands, troubadours, barbershop, gospel, symphony, folk, traditional, bluegrass.

*It's just  
Fun to  
be here!*

*The Fair  
is a magical  
place for children*

Many of our crafts demonstrators will especially delight children who can help make a pot or a candle, tool a leather bracelet, try their hand at grain painting and much more.

Children may be enchanted by a magician, mesmerized by a mime, sit at the feet of a storyteller, dance to the music on the outdoor stage, or ride in a country wagon filled with hay and pulled by an ancient tractor.

Older children will learn about life in a Civil War camp, see the Fife and Drum Corp marching, learn to shell corn, separate wheat from chaff, help create a dulcimer or watch a knobbit come to life—What's chaff? What's a knobbit?! Come to the Fair and find out!

**It's all at the  
Waterford Fair!**
